*Strut & Fret in association with Bleach\* The Gold Coast Festival present*

## **THE ACCLAIMED CIRCUS CABARET LIMBO UNHINGED IS COMING TO THE GOLD COAST!**

Direct from sell-out seasons across the country including Sydney Opera House and a headline show at the Kermezzo Festival in Brussels, the Gold Coast premiere of Helpmann Award nominated **LIMBO Unhinged** will feature in the Spiegeltent Gold Coast programme as part of Bleach\* The Gold Coast Festival. The much loved Spiegeltent is returning to Broadbeach in a new location at Gold Coast Bulletin Centenary Park (just near The Star Gold Coast).

Continuing all the sexiness, sizzle and edge-of-your-seat spectacle expected from the Strut & Fret Production House (*who also delivered the show-stopping sensation Blanc de Blanc*), LIMBO Unhinged will unleash pyrotechnics, sword-swallowing and aerial shenanigans against a pulsating live soundtrack in the majestic Spiegeltent from **17 April – 12 May 2019**.

The show's all-star international cast return with devilish, sexy performers, including Coney Island Sword Swallower Heather Holliday (USA), Australian tap and dance sensation Hilton Denis, aerial wiz Marco Motta (BRA), gravity-defying Chinese Pole and beatboxing master Mikael Bres (FRA), hand-to-hand experts Charlotte O'Sullivan (CAN) and Nicolas Jelmoni (MCO), alongside the acrobatic expertise and comedic timing of Rémi Martin Lenz (GER).

Scott Maidment, Director of Limbo Unhinged and founder of Strut & Fret says, *"We're so excited to come back to the Gold Coast with this breath-taking wild ride performed by a mix of international performers and musicians with VERY unique talents."*

Prolific Sydney musician Mick Stuart (AUS) will lead the live ensemble, performing haunting ethereal melodies, irreverent electro-acoustic noise and playfully, sexy beats, composed exclusively by New York's Jank maestro Sxip Shirey (USA).

Gold Coast Bulletin Centenary Park will be transformed into an edgy underworld inside the iconic Victoria Spiegeltent, complete with death-defying acrobatics, fire-breathing, sword-swallowing and rollerblading. Transitioning between a place of mystery and darkness to a place of exhilaration and fervor, Limbo Unhinged is sure to leave you feeling positively unhinged!

Limbo Unhinged features as an integral part of Gold Coast's signature arts and culture festival; Bleach\*. Artistic Director and CEO, Louise Bezzina says,

*"We absolutely thrilled to once again have Strut and Fret Production as part of the Festival, with LIMBO Unhinged taking place in the Spiegeltent. It is a high-impact show filled with mystery and intrigue and we're sure Gold Coast audiences will absolutely love it."*
